FRC GROUP

thirteen

Managing and building homes

Thirteen are a landlord and housing developer, managing 34,000 properties from North Tyneside to York, providing good quality homes for rent and sale, supporting those in housing need.

“FRC responded quickly and efficiently to our initial enquiry and did a full installation in one day, enabling us to complete the project in a very short time scale which was crucial due to the nature of the project. We were extremely happy with the product choice, installation and delivery.”

**Toni Smith, Scheme Manager,
Thirteen**

FRC worked with Thirteen to **specify and supply contract furniture** and **appliances** for 12 flats in their new build **Homelessness Accommodation**.

We worked **quickly and effectively**, identifying the exact product requirements that were needed for the properties. We **delivered and fitted the furniture** and **installed the appliances** and because of the urgency in housing the new residents, the **full installation** was completed in one day, enabling residents to move into their new homes quickly. All items were placed in situ, ready for use and **packaging removed for recycling** so that the properties were ready to occupy.
